Introduction

We are recruiting for a Counselling Services Manager to join our partnership, which provides a school-based therapeutic service that benefits the entire school community. The programme implements high-quality support for children and families affected by social, emotional and mental health needs (SEMH).

The programme currently works in primary schools across the London Boroughs of Ealing, Harrow, Tower Hamlets and Newham. Our multi-disciplinary team includes Psychotherapists, Art Psychotherapists, Child Counsellors, Clinical Supervisors and trainee therapists, who provide flexible, timely and targeted interventions to improve emotional wellbeing and help children to thrive.

We work in partnership with children, parents and carers, and staff playing an important role in each school's pastoral system, in the knowledge that working together benefits the child.

Our Mission and Values

Mission

We work collaboratively with our school communities to enable all children, young people, parents and carers to access mental health support.

Values

Trust

We build trust by being honest, transparent and accountable in the way we work with children and young people, staff, and partners, and by providing services and programmes whose outcomes are measurable and evidenced-based.

Partnership and Collaboration

Relationships are at the heart of our work. We prioritise communication and collaboration with partners, families and communities, believing that by working together, we create more effective and holistic outcomes for children and young people.

Nurturing

We provide a nurturing approach based on safety and space for creativity, exploration, and growth. We care for our children, young people, parents and staff, and support them in realising their potential.

Impact

We are committed to measuring our impact through quantitative and qualitative data in order to continually improve the service delivery, thus making a greater difference to the lives of children, young people, and their parents and carers.

Job Description

Overview

We are seeking a dedicated individual, who is passionate about helping children achieve their full potential, to join our partnership.

In the role of Counselling Services Manager, you will draw on your experience as a qualified therapist, as well as your excellent organisational and relationship management skills, to effectively coordinate and lead the service, working flexibly and responsively within your school. You will be the bridge between the service and the school, working closely with the school's staff (e.g. senior leadership, teachers, safeguarding leads, inclusion team, etc.) and attending multi-agency meetings.

Your responsibilities will include managing referrals and assessments, liaising with parents and carers, maintaining accurate records, and monitoring and evaluating the impact of the service. You would also: deliver some time-limited 1:1 support to parents and teachers; provide group interventions, assemblies and parent workshops; run the self-referral drop-in service 'The Space'; and support therapist working in your schools.
